TERMS/CONDITIONS

Santa always tries to arrive by the start time of the event, but may arrive a bit earlier or later due to unforeseen circumstances (i.e., traffic, weather, mechanical breakdown). A break of 10 minutes after each full hour of work is appropriate. A little cool water is always welcome. *Santa is accompanied by Mrs. Claus at no additional charge when she is available. No smoking in vicinity of Santa. Sturdy 4-legged chairs are to be provided to conduct any seated visitation.* It is assumed that all events will be indoors, or that arrangements for a covered area have been made if the event is held outdoors. Photos taken of Santa & Mrs. Claus are for personal use only and may not be used for commercial purposes without the written consent of Tom or Shonnie Carroll.
Sorry, no pets without prior notification.

Postponement/Cancellation: Sometimes it becomes necessary to postpone or cancel an event. Reasonable emergencies that are beyond the control of either party will be taken into consideration (i.e., traffic, weather, illness, family death, mechanical breakdown, etc.). If an event is postponed, every effort will be made to reschedule the event. If an event is cancelled by the client within 24 hours of the event start time and not rescheduled, payment for 1 hour is required. Santa has the option of leaving an event if event has been misrepresented and/or inappropriate, but payment will still be required.
